AWS, Django, Python, HTML, CSS, React.js

<https://peeep.netlify.app/>

- Full-stack application with full CRUD operations, Backend using Django & Frontend using React.js
- Utilized AWS to support backend functionality, and host the backend API

EXPERIENCE

Starbucks, NJ - Barista

April 2022 - Current

Worked through tasks efficiently while being given multiple tasks by using "waiting time" of each task or "down time", to complete upcoming tasks. Resulted in decreased wait times of overall customer delivery.

Island Spa & Sauna - General Associate

September 2021 - April 2022

Assisted with workflow of the whole facility, decreasing wait times, overall decreases in complaints.

Apple, NJ - Seasonal Sales Associate

June 2021 - September 2021

Created a growth and feedback oriented environment with internal teams. Responsible for breaking down problems presented by customers to expedite workflow efficiency, focusing on increased sales.

Island Spa & Sauna - Juice Bar Associate

October 2019 - June 2021

Drove sales by suggestive selling and upselling food/beverages, increasing the transaction by 150% - 200%

EDUCATION

General Assembly, NY- Software Engineering Certificate 500+ hours of labs/lecture covers full-stack development
